Coastal Law Memo, Ocean Law Memo, and Ocean and Coastal Law Memo

The Ocean and Coastal Law Center published several newsletters over a twenty-six-year period to provide analyses of new, significant developments in ocean and coastal law. *Coastal Law Memo* ran for five issues, from 1980 to 1986. *Ocean Law Memo* began in 1973 and later became *Ocean and Coastal Law Memo*; publication ceased in 1998 with issue 46. Each memo has a distinctive title indicating the topic covered.

The Ocean and Coastal Law Center gratefully acknowledges the financial support of Oregon Sea Grant in the production of the three *Memo* series.

**Coastal Law Memo**

**Ocean and Coastal Law Center Research Papers**

The Center initiated its research paper series to make available papers of high professional quality written by UO law students in conjunction with their courses, as part of independent research projects, or in fulfillment of the law school’s comprehensive writing requirement.
