

Statement of Financial Need

READ. The purpose of this form is to self-disclose financial resources and need when applying for the LLM Program at University of Oregon Law. The law school will use the information provided when considering possible merit- and need-based scholarships.

INSTRUCTIONS. Refer to the total estimated expense for one academic year in the chart below. If your available financial resources are not adequate to meet the total estimated expense for one year, please list your current financial resources below to show how much financial need you have. If your total financial resources are less than the total estimated expense, then that is your “financial need.”

NOTE. As a requirement of F-1 visa sponsorship, international students must have financial resources adequate to meet all educational and living expenses while studying at the UO. If admitted, you will be required to submit a separate International Student Personal & Financial Verification Form to the International Student and Scholars Services (ISSS) Office. ISSS will verify your available financial resources (including any scholarship or tuition discount offered by the law school) before granting visa sponsorship.

APPLICANT NAME: _____
